

ALEPO LEGAL AGREEMENTS

Alepo Terms of Purchase (On-Premise Solutions)

The Terms of Purchase document serves as the legal framework governing the relationship between Alepo and the recipient of Alepo's proposal, which begins with acceptance of Alepo's proposal, and continues throughout and after project deployment. The most recent Terms of Purchase for on-premise solutions, along with previous versions for customers who accepted Alepo's proposal can be found below:

Version	Customer Acceptance Date
Alepo Terms of Purchase v2.6	Oct 24, 2019 – Present
Alepo Terms of Purchase v2.5	June 5, 2018 – Oct 23, 2019
Alepo Terms of Purchase v2.4	March 8, 2016 – June 4, 2018
Alepo Terms of Purchase v2.2	July 14, 2015 – March 7, 2016

Alepo Cloud Terms of Purchase

The Cloud Terms of Purchase Agreement between Alepo and the Customer governs the Customer's access to and use of Alepo's software, deployed on the cloud along with any associated equipment, parts or supplies provided under this Agreement ("SAAS System"), and the services provided by Alepo in connection with the SAAS System.

Version	Customer Acceptance Date
Alepo Cloud Terms of Purchase v1.1	Oct 24, 2019 – Present
Alepo Cloud Terms of Purchase v1.0	July 18, 2018 – Oct 23, 2019

Alepo End User License Agreement (EULA)

The use of the license software procured from Alepo is subject to the EULA, which may be accessed through the following links:

Version	Customer Acceptance Date
Alepo EULA v1.5	Oct 24, 2019 – Present
Alepo EULA v1.4	June 13, 2018 – Oct 23, 2019
